PLASTIC WATER GRADUATES - WHIP MIX

PLASTIC WATER GRADUATES - WHIP MIX

The water/powder ratio of investments or die stones must be maintained precisely to secure the most accurate results. Whip Mix Water Graduates provide the means for measuring the water (or liquid) accurately. Water Graduates are plastic and available in two sizes, 26mL and 100mL, and are marked off in 1mL and 2mL intervals, respectively. The flanged base of each graduate provides stability.
