OPTIVISOR CRYSTAL LENS - DONEGAN

OPTIVISOR CRYSTAL LENS - DONEGAN

OptiVISOR is a precision binocular headband magnifier which permits unrestricted user efficiency while reducing eye strain?leaves both hands free and allows three dimensional visions. Used by anyone whose profession or craft requires close accurate work. Can be worn over prescription or safety eyeglasses.

Optical glass prismatic lenses

Ground and polished to precision optical standards?bevel edged and mounted in an interchangeable plastic frame

It tilts

Adjustable pivots allow the visor to be tilted out of the way when not needed and at your fingertips when you need magnification

Adjustable headband

Conforms to fit all head sizes?fabricated from a special blend lightweight material. Comfortable when worn for long periods of time.

High impact visor

Provides a tough, durable, always-new appearance

Genuine leather comfort band

Padded orthopedic felt adds to comfort
