PAC-DENT - Kool WHITE 15% Carbamide Peroxide Tooth WHITening Kit: 9 x 1.2 mL WHITening Gel - # KW-800

Product Details An office-assisted, patient take-home tooth whitening system specially formulated to remove tooth discoloration due to foods, tobacco, and other stain-causing materials. This technology has been clinically proven to

whiten teeth safely and effectively in two weeks or less. Kool White carbamide peroxide gel is available in 10%, 15% and 20% concentrations: 10% kit is for patients with sensitive teeth or gums; 15% kit is for regular patients; 20% kit is for patients who want faster results but do not mind possible minor sensitivity. Improved formula for prolonged whitening activation duration? Unique thickening agent allows for better handling? Specially formulated for minimal sensitivity? Guaranteed results in 2 weeks? Custom-made application tooth tray? Pleasant mint flavor

Kool White Office-Assisted Take-Home Kit Contains: 9 x 1.2ml Tooth Whitening Gel? 9 x Gel Dispensing Tips & Caps? 1 x 1.2ml Resin Spacer? 1 x Pre-bent Needle Tip? 2 x EVA Tooth Tray Sheets? 1 x Retainer Box

PAC-DENT - 448978 Kool White 15% Refill: 1.2 mL Syrin US\$ 79.84

PAC-DENT - Kool WHITE 15% Refill: 1.2 mL Syringes of 15% Carbamide Peroxide Gel, Take-Home - # KW-803

Product DetailsAn office-assisted, patient take-home tooth whitening system specially formulated to remove tooth discoloration due to foods, tobacco, and

other stain-causing materials. This technology has been clinically proven to whiten teeth safely and effectively in two weeks or less. Kool White carbamide peroxide gel is available in 10%, 15% and 20% concentrations: 10% kit is for patients with sensitive teeth or gums; 15% kit is for regular patients; 20% kit is for patients who want faster results but do not mind possible minor sensitivity.? Improved formula for prolonged whitening activation duration? Unique thickening agent allows for better handling? Specially formulated for minimal sensitivity? Guaranteed results in 2 weeks? Custom-made application tooth tray? Pleasant mint flavor

Kool White Office-Assisted Take-Home Refil contains

-15% refill kit: 30 x 1.2 ml syringes

PAC-DENT - 449128 One File G Plastic Carrier Obturato

US\$ 32.63

PAC-DENT - One File G Plastic Carrier Obturators, 5 x #25 (red) Obturators + 1 verifier - # OOP-25

Product Details These easy-to-use thermal obturators are available with a plastic carrier (PC) or gutta-percha carrier (GPC). Both are made with alpha-phase gutta-percha that provides excellent and precise fillings. The obturators are highly radiopaque and can be used in all the popular heaters. All packs include verifiers that make precise sizing easy. The GPC obturators have vulcanized compounding gutta-percha carrier designed to make post space preparation easier.

OneFile PC and GPC can be used to obturate any constant .04, .06, .08, and .10 tapered canal, sizes 20 to 50.?

Calibration rings facilitate setting the working length? Works with your current obturator oven at the same settings? Easy to get great 3D fills for all canal types? ISO-sizes system for compatibility

Includes

-Type: Plastic Carrier-Pack: 5 x Primary #25 (Red) Obturators + 1 x verifier
