Prophy Angles

PROPHY ANGLE - CROSSTEX

PROPHY ANGLE - CROSSTEX

Features:

Twist Prophy Angle by Crosstex is the first and only disposable 90 degree reciprocating prophy angle. Twist eliminates spatter and heat, and lets the user maintain continuous contact and pressure on the tooth surface for maximum stain removal. It is also safe on gingival margins and exposed dentin, and is the only prophy angle brush that is effective on orthodontics! Twist has four available heads: Soft Cups, Firm Cups, Flat Brush, and Tapered Brush.
